PRINCIPAL

The 1981-82 school year Case High "broke in" a new principal. Thanks to this man the change from one principal to another went quite smoothly. He is a kind man who truly cares about the student's and their educational environment.

We wish him the very best in his future years at Case High School.

"Don't let anyone steal your dreams."

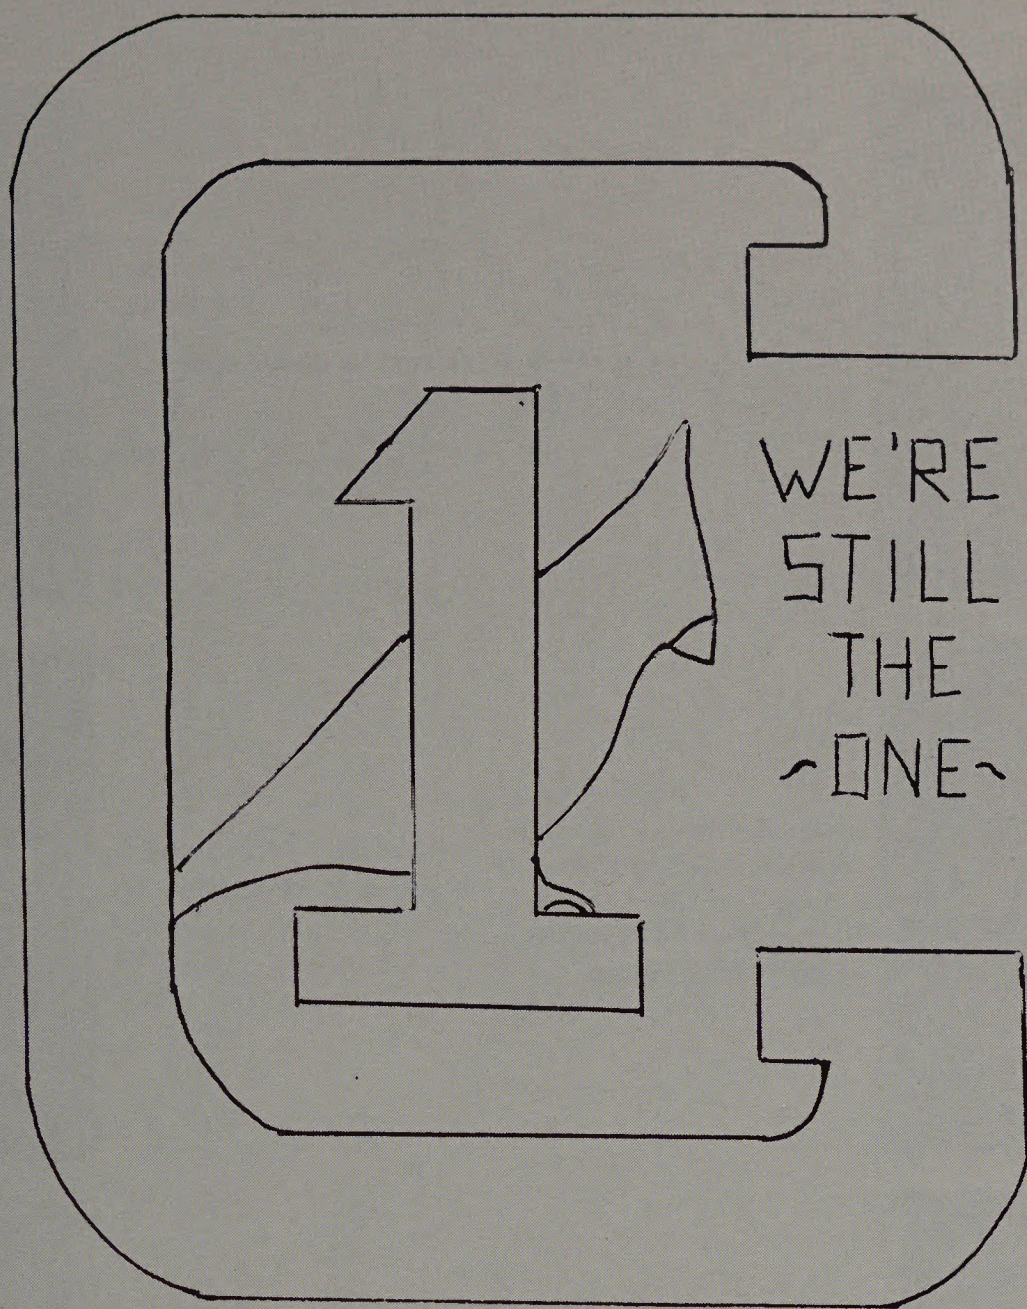

To Mr. Paul F. Monahan Sr.

In appreciation for his genuine friendliness toward students we, the class of 1982, fondly dedicate our yearbook.

A graduate of Holy Cross, Fitchburg State College, and Bridgewater State College, he holds a B.S. and a Masters in education.

For the past 27 years he has served the students of Swansea, first as a teacher and later as an administrator for the school department.

We would like to "thank-you" for everything you have done for Joseph Case High School and we wish you the very best in your future endeavors.

Mr. Levesque

Mrs. Walmsley

Cafeteria Staff

In the late 1800's Swansea had only "one room" buildings for grammar schools and no high school. By 1900 transportation had improved, so students were attending high school in Warren or Fall River. The town paid twenty-five dollars for each student in these schools.

Because of the expense, talk of building a school was heard more and more. In 1916 the town purchased the land where the Junior High now stands. Mrs. Frank S. Stevens wanted to donate the money to build a high school, but the town was reluctant to accept her large proposal.

Out of lack of funds and need of a high school, the town finally accepted Mrs. Stevens' gift on June 18, 1926. She also donated the land from the dam to the old football field, equipped the entire school building and opened a trust fund for two-hundred thousand dollars. These were all donated under the following conditions: that the land be used only for school or park purposes, the trust fund be used by the school only, and the high school be named in memory of her father, Joseph Case.

In September of 1926 the cornerstone was laid. It contained such items as the annual report of 1925, newspapers and coins of the day, portraits, and a list of town officers.

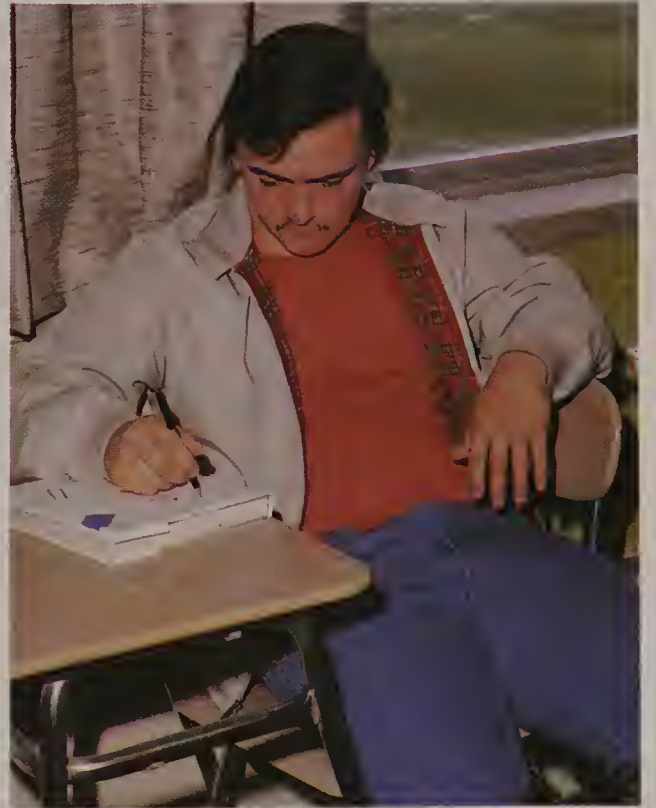

The dedication took place on September 1, 1927. Mr. Frank C. Chase became the first principal and in 1929 Miss Helen A. Reagan became assistant principal. Then, in 1945 Miss Reagan became principal.

The first yearbook came out in 1945, entitled THE RECORD BOOK. It held that name for a few years, until the students, dissatisfied with such a conventional name, changed it. They decided on THE CHIEF, in honor of Swansea's Indian heritage. The name remains today as a remembrance of our history.

1981-82 was the drama club's best season ever. In the fall, their float, a giant replica of Cinderella's slipper, won the grand prize in the Columbus Day Parade. In December, they presented the sell-out hit *Cinderella* which captured the hearts of all who saw it.

In February the club began its competition piece. The play, *The Dancing Princesses*, was written by Mr. Marcello. Sixty-five schools were entered in the competition and the Cardinals were chosen the *BEST* in Massachusetts. The show captured over forty awards, thus, bringing Case and Swansea a lot of publicity.

The club ended its season with *The Elephant Man*. Case is the first high school in the country that has ever been allowed to perform it. Again, they were successful and the show was well received.

Indeed, it was a good year.

A friend is someone with whom you can be completely honest and who understands you just the way you are.

A friend is someone to talk to when things are going wrong and who will give you support in times of need.

It is wonderful to have a friend like you.

Whenever I call you "friend"
I begin to think I understand
Anywhere we are
You and I have always been
Ever and ever

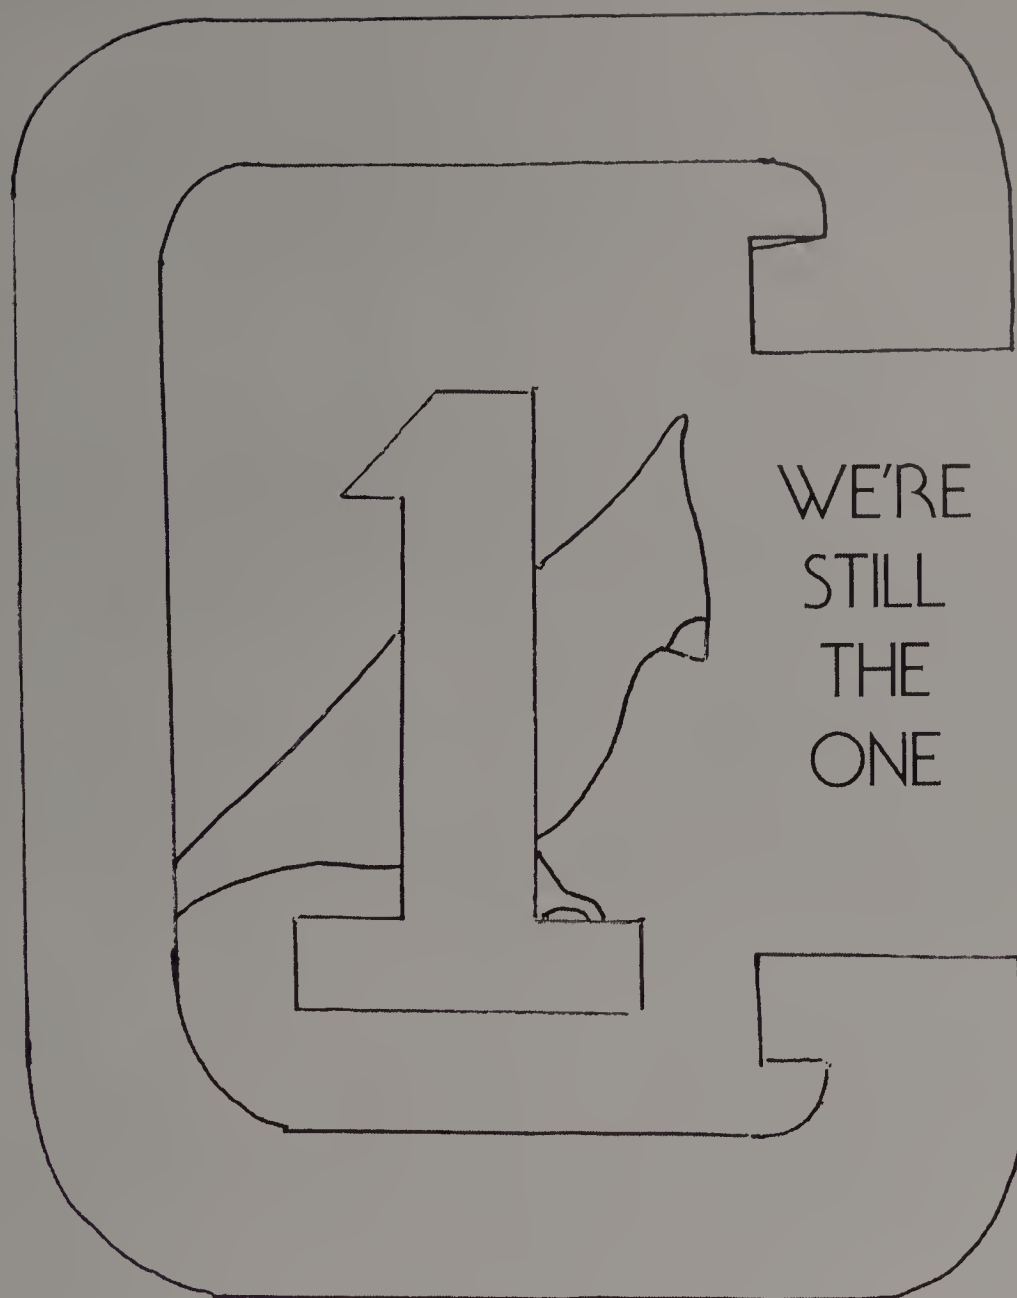

I see myself within your eyes
And that's all I need to show me
why
Everything I do
Will always take me home to you
Ever and ever
And now I know my life has given
me

More than memories
Day by day
We can see
In every moment there's a reason
To carry on
Sweet love's showin' us a heavenly
light

Never seen such a beautiful sight
See love glowin' on us every night
I know forever we'll be doin' it

Whenever I call you "friend"
I believe I've come to understand
Everywhere we are
You and I were meant to be
Forever and ever

I think about the times to come
Knowin' I will be the lucky one
And ever our love will last
I always want to call you "friend"

SPORTS

Athletic sports are the great levelers, the great equators, the great melting pot. Here players are judged only on the basis of character and ability to execute - - - how much they have to give and how much they are willing to give. Race, creed, and background are not important. On the playfield and in the sports arena, some of the great lessons of life are practiced and learned. Selfishness and personal glory are subordinated to team effort and team glory. Here, under the white heat of emotions, players learn that to control others they must first learn to control themselves. Good is not good enough. Continuous striving for perfection is the ultimate goal, and the dedicated player will settle for nothing less. To be complacent and self-satisfied has no place in athletic sports. A player or a team that is merely satisfied with winning would be satisfied to lose. Each game sets a new goal - - - a better performance than the preceding game. Nothing less than this will produce a winner, and winning is in the American tradition, not only in sports but in all areas of life.

REMEMBER WHEN:

Dennis hit his ankle against a curb, another swift move

Mike informed us that running gives one a spiritual high.

Joey fell 3 times in one day, (and that was one of his good days.)

Jen and Andrea "accidently" walked into the boys locker room at Connolly

We made Robin run the 110's with boys as a spy

John laughed once or twice.

Bersy and Robin weren't together.

Trying to find our way back through the woods from Steven's home.

The relay race that turned Paula into a real pebble-face (way to go, Andrea!)

Jennifer became the most improved runner.

The boys bear Coyle (everyone bears Coyle, but thanks to the co-ordination of John, Mike and John C. we became the exception.)

Dennis became addicted to the bathroom.

The non-existent girls' team.

Robin *killed* us with her laughter.

It was up to the girls to keep up Case's reputation,

Getting "our butts run into the ground."

Dale stopped doing the triple-jump

Bruce didn't bring his multi-flavored tea.

Doing those fun intervals (there are no such thing as *fun* intervals).

"He played the game"

What finer epitaph can stand?

Or who can earn a finer fame

When Time at last has called his hand?

Regardless of the mocking roar,

Regardless of the final score

To fight it out, raw blow for blow,

Until your time has come to go

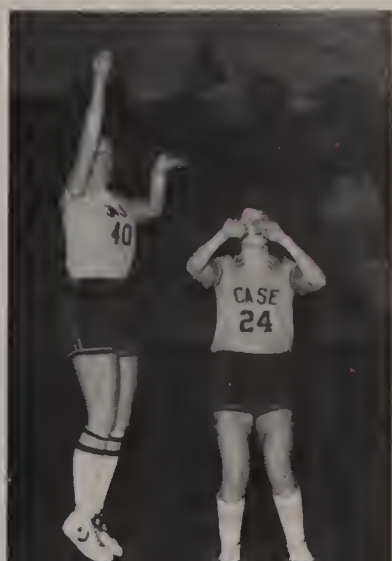

On our beyond all praise or blame,

Beyond the twilight's purple glow,

Where Fate can write against your name

This closing line for friend or foe:

"He played the game."

GRADUATION

SENIOR BREAKFAST

GRADUATION SERVICE

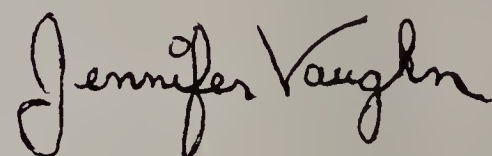

To the Class of 1982,

When I was chosen to be one of the editors for this years edition of *The Chief*, I did not realize the work that was involved in making and publishing our yearbook. So many people fail to recognize how many hours that we have put into making this yearbook.

My goal was to get every Senior's photograph in the yearbook. But as the year went on, some of the Seniors did not care to cooperate with the photographer and the yearbook staff members. So, therefore, I could not reach my goal!

I tried to put more photographs in this yearbook than that of any other yearbook published at Joseph Case High School. I tried to capture the very special moments of our last school year together. I sincerely hope you will appreciate the work that Robert and I have done to make this the very best yearbook, I hope it will be enjoyed by all!!

I would like to wish The Class of 1982 enough success to make you proud, enough joy to keep your heart singing, enough trials to keep you strong, enough luck to make you smile at life, enough of all life's treasures to keep you truly happy.

Jennifer Vaughn

Editor

SPECIAL THANKS

My Mother And Father
Michello Daniello
Mrs. Audrey Shott
Mrs. Russo
Mr. David Jardin

Dear Friends,

I cannot begin to tell you how much work has gone into the production of this yearbook. The time, effort, money, and *M&M's* that go into a quality yearbook like this one are incredible.

Yet, in spite of all the long hours, meals missed, and complete frustration at times, it has been worth it. I truly believe this is one of the best yearbooks that this school has ever had. I am very proud of it.

I would like to express my thanks to our advisor, Laura Siner. Also, thanks to Mr. Jardin, Mr. Monahan, Mr. Furrado, Mr. Conforti, Mr. Bernier, Mrs. Shott, Mrs. Russo, Sharon Daniel, and my mother for putting up with all of this for the past year.

Special thanks to our yearbook representative, Norval Garnett, Loring Studios, and, of course, the 1982 *Chief* staff for everything they have done and all the *M&M's* they have sold (*MILLIONS!*).

To my classmates, I hope this yearbook contains the best memories from your final year at Case. I have tried to cover every facet of the school and I hope you enjoy it.

Finally, I would like to wish you all the success in the world. May we all prove that we were the best class that ever went to Case. Best of luck and happiness always.

Sincerely,

Robert Machado

Keep a song of joy inside your heart
And even though the time has come for us to part
We'll be together soon and time will fly
Cause we never really say goodbye

Don't forget the love we shared today
Sweet memories to keep us warm along the way
I'll hold you in my heart so don't you cry
Cause we never really say goodbye

Time may come between us, but it doesn't mean a thing
You know we'll be together in our dreams
And so tonight, my friend, sleep right

And keep a song of joy inside your heart
And even though the time has come for us to part
We'll be together soon and time will fly
Cause we never really say goodbye

We never really say goodbye
